

FROM: AISHA KABILA (MRS)
Democratic Republic of Congo

Good Day

I know you will be amazed to read from me, but please consider this letter as a request from a widow in need of your help I am Dr.Mrs. Aisha Kabila, the second wife of the late President of Democratic Republic of Congo, Laurent Desire Kabila. on behalf of my only son James Kabila I have decided to solicit for your assistance to transfer the sum of USD\$10 Million, (Ten Million United States Dollars) to your personal or companies account, pending if the fund will be safe without any problem.

This money was part of the fund secured by my late husband when he was still in power. As the wife, he relied on me; my attention was drowned to this said amount, in case of unforeseen circumstances.

This fear was actualized on when his bodyguard, Rasheed assassinated him (May his soul rest in peace, Amen) this fund is Presently deposited with a private Security and finance company in Johannesburg South Africa in favors of my son, we are presently residing as an Asylum seeker in South Africa and the financial law of South Africa does not give us some certain financial right as a result we decided not to invest this fund in Africa coupled the way this fund was acquired as well as the pressure in my family from my husband first wife and her son (President Joseph Desire Kabila) who is currently succeeding my late husband as my country president.

Please do not hesitate to contact my son on our Direct Email ADDRESS (mr.jameskabila@gmail.com) so that he will direct you on how we can start the transfer or you can call him at his direct cell phone number +27 717 772 499. God bless you as you help this family in dare need of your assistance.

For your assistance we have agreed to offer you 30% of the total sum, while 60% will be for our investment in your country and 10% will be set aside to take care of all related expenses.

Please your assistance is highly needed; you are required to maintain the most confidentiality that this transfer deserves even though it doesn't interest you to help this family.

God bless you abundantly

Yours Truly,

Mrs. Aisha Kabila.
