It is my privilege to capture your names from the internet. My name is Attorney: James Edward a legal practitioner and the personal Attorney to late Mr. Martins Cook, who died along with his wife and his two sons on Boeing 767 that plunged into the Atlantic killing all 214 people on board including my client Mr. Martins Cook Kerry and his entire family. See website: <http://www.independent.co.uk/news/us-stunned-by-latest-air-crash-1120123.html>

I am convinced that it was the grace of God that made me to locate you. My client was a successful and an accomplished family man, who made enough fortune before his untimely death. Since then I have made several inquiries through his Embassy to locate any of my clients extended relatives but this exercise has proved unsuccessful. After several unsuccessful attempts, I decided to trace his relatives through the Internet to locate any member of his family not much progress was recorded. My client is a very rich man, worth over \$4 billion USD he was an influential wealthy businessman, a Gold Mogul here in South Africa and he left behind a deposit of Forty-Three Million United States Dollars (US\$43Million) in his domiciliary bank account in a commercial bank here in South Africa . After the death of my client accountant contacted me, as his Attorney to provide his Next of Kin who should inherit his fortune. The board of directors of his bank adopted a resolution and I was mandated to provide his Next Of Kin for the payment of this money within 28 working days or forfeit the money to the bank as an abandoned property. The accountant had planned to invoke the abandoned property decree of 1996 to confiscate the funds after the expiration of the period given to me. Despairing at the point of exhaustiveness, fortunately, I came across your details to my utmost amazement you can stand as the Next of Kin, Convinced that you may be linked with my late client or that you might provide clue to my search, I therefore, decided to contact you with these facts before me because of the urgent situation right now. By virtue of my closeness to the deceased and his immediate family, I am very much aware of my client financial standing and the bank account he operates. I have reasoned and I feel it will be legally proper to present you as the next of kin of my deceased client, so that you can be paid the funds left in his bank account, hence I contacted you.

seek your consent to present you as the Next of Kin to the Deceased since you are at an advantage to claim this fund so that the proceeds of this Bank Account valued at \$43Million Dollars can be paid to you.
